# Assignment for Friday, January 27

Before class, do the following:

1. Complete the Review Exercises throughout the notes on Computing. You should consider these excellent preparation for the exams and writing assignments.
2. Do Computing Assignment 1. This is graded and due on January 27 by the beginning of class. Follow the instructions on the assignment to submit using eCampus.
3. Preview notes on Loading Data.
4. Finish Part 2 of *Foundation*. Answer the relevant questions from the "Discussion Questions for *Foundation*" available on the course webpage. The book will be covered on Exam 1 on February 22.
